The Cutting Edge®
A. G. Russell’s List of Knives for Immediate Delivery - January 2021
Orders Accepted Only by Phone – 800-255-9034

Goldie Russell, president A.G. Russell Knives January 11, 2021

**From A.G.’s Collection 01-11-21**

The knives on the remainder of this page, and pages 3 and 4, are part of A.G.’s knife collection. Being deeply involved in knives for 54 years, he accumulated quite a few. He didn’t just collect handmade knives, but any knife that was of interest to him, many with historical significance. I have added in this issue a couple of which are both handmade and of historical significance – one by Rod Chappel and a matched pair by H.H. Frank. I want to add a wonderful folder made by Jim Schmidt in the March issue.

A.G. always told me that one of the reasons he started A.G. Russell’s List of Knives for Immediate Delivery, the first of its kind and now *The Cutting Edge*, was because after a short period of time he could possess and enjoy any handmade knife he liked, which he could really not afford to own. His “knife list” allowed him to sell a knife and buy another.

A.G. was passionate about what he did and he chose to put his resources into building A.G. Russell™ Knives and into the growth of interest in knife collecting instead of investing his resources in high dollar knives. Because of his intense interest and this understanding, he was a big supporter of handmade knifemakers as well as existing knife manufacturers and new start-up brands. A.G. had a greater impact on the knife community as it exists today than most people know.
