A. G. Russell’s List of Knives for Immediate Delivery - March 2021
Orders Accepted Only by Phone – 800-255-9034

The expiration date of your subscription is printed on the top line of the mailing label on this book and is indicated as S2021, S2022, etc. followed by the month of expiration. An example would be S20212, which means that your current subscription will expire at the end of December 2021. We are currently mailing six (6) printed books each year.

The cost of printing and mailing these books is such that we can no longer mail them to folks who are not purchasing. If you have not purchased from The Cutting Edge® anytime during the past twelve months, you will need to subscribe as follows:

- **KL** Annual Subscription - within the USA — $15.00
- **KL-INT** Annual Subscription - International — $30.00

If you are receiving an e-mail notice of a posted PDF of the book, you will continue to receive that e-mail as long as the e-mail address we have works. If you do not currently receive an e-mail with a link to this catalog and wish to, send an e-mail to ce-info@cuttingedge.com or call 800-255-9034 (e-mail works best) and tell us to e-mail you that link.

When you find one or more knives that you would like to purchase, make a phone call immediately to 800-255-9034. There is only one of each of these knives and some will go quickly.

**Orders for these cannot be placed online.** We can charge your purchase to Mastercard, Visa or Discover, or we can hold a knife for up to ten business days if you wish to send a check.

**cuttingedge.com** continues to be very active, with new knives added on the Wednesday closest to the 1st of each month, and sometimes on Wednesday of the 3rd or 4th week of the month. Prices on knives that have been listed on cuttingedge.com more than one month are reduced on the Wednesday closest to the 15th of each month. A reminder is sent on each of these Wednesdays as a part of the A.G. Russell™ Weekly Special. Be sure that we have your current e-mail address so you can get these reminders. Send the e-mail address to ag@agrussell.com or call 800-255-9034.

### Preview Period:

### From A.G.’s Collection

03-16-21

The knives on the remainder of this page, and pages 3 and 4, are part of A.G.’s knife collection. Being deeply involved in knives for 54+ years before he passed away in 2018, he accumulated quite a few. He didn’t just collect handmade knives, but any knife that was of interest to him, many with historical significance. I have added in this issue a couple that are both handmade and of historical significance. I have included a Scagel Hunter marked for Abercrombie & Fitch on page 3 and several knives on page 4 that are of significance, including a Loveless/Johnson. The price on the matched pair of folders by H.H. Frank on page 2 has been reduced. I was unable to put my hands on the Jim Schmidt folder for this issue, but will find it for the May issue.

A.G. always told me that one of the reasons he started A.G. Russell’s List of Knives for Immediate Delivery, the first of its kind and now The Cutting Edge™, was because for a short period of time he could possess and enjoy any handmade knife he liked, which he could really not afford to own. His “knife list” allowed him to sell one knife and buy another.

A.G. was passionate about what he did and he chose to put his resources into building A.G. Russell™ Knives and into the growth of interest in knife collecting instead of investing his resources in a lot of high dollar knives. Because of his intense interest and this understanding, he was a big supporter of handmade knifemakers as well as existing knife manufacturers and new start-up brands. A.G. had a greater impact on the knife community as it exists today than most people know. If only I had the time to write just part of what I am aware of!

Goldie Russell, president A.G. Russell Knives March 16, 2021
