Loveless-Johnson - 5˝ Utility Improved Handle
Fixed Blade, Full Tapered Tang, 5˝ Clip Blade, Wood Micarta Handle Scales, Brown Liners, 9 7/8˝ Overall. These comments are from A.G. Russell: When Steve Johnson left the partnership with Bob Loveless to get an education, Bob himself told me that they marked the last batch of 37 knives "Loveless-Johnson" as his tribute to his most successful partnership, (by no means his longest lasting). This is one of those 37 knives. Of all the Loveless markings, these are the rarest and most valuable. This is a rare model in another way as well. A 5˝ Utility (clip point) with a wood micarta, improved handle. This is one of the most collectible of the most collectible set of collectible custom knives available.
